Inclusion on the ballot for Director on First Alternative Board may be obtained by acquiring the signatures of at least twenty First Alternative Owners. Petitions should be turned in to either store's Customer Service Desk. Petitions are due by May 6th. Candidates understand that submitting a valid application for candidacy will result in First Alternative conducting a background check. Not passing the background check will prevent the candidate from being included on the ballot. Candidates in this category will be informed and may appeal to the Board's Executive Committee (faboard@firstalt.coop) no later than May 10th. Each petition owner listed must provide their owner share number. If the number is not provided, the signature will not be counted.
